

You're Invited!

JOIN THE HoFH COMMUNITY

You are invited to join the HoFH Community, hosted by The FH Foundation.

The HoFH Community is a network of people living with Homozygous Familial Hypercholesterolemia (HoFH) and parents of children with HoFH. We are connected by our shared experience, but because HoFH is so rare, we don't often get the chance to engage with other people who have HoFH.

The FH Foundation has launched The HoFH Community, offering us the opportunity to connect with one another and engage on topics that are important to us.

There are many similarities between HoFH and HeFH, particularly the fact that it affects the whole family. But, living with HoFH is also very different. Our treatments are different, our worries can be different, and as a result our perspective can be different. There is a lot we can learn from each other and many ways in which we can support each other, if we are connected.

Please join us!

To join, just send us an email at HoFHCommunity@thefhfoundation.org. We'll follow up with more details.
